① U.S. spending for 2011 = \$ 3.82 trillion

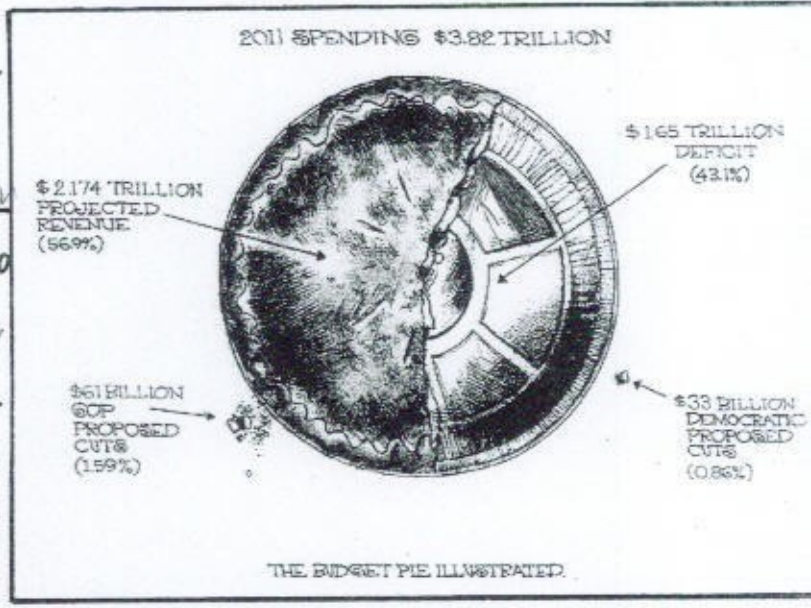

② Money it should get from taxes should be 2.174 trillion. That leaves \$ 1.65 trillion

it will have to borrow. ③ Republican want to cut \$61 billion (1.59% of budget) while the

democrats propose to cut \$ 33 Billion (0.86% of the budget) ④ Even though the

Republicans want to cut down on the deficit (cut down on how much we have to borrow)

they won't allow taxes on the rich to go up (thus giving the U.S. more revenue) and won't allow any spending cuts to the military.

⑤ The war that created this country = American Revolution ⑥ The war betw. the states = Civil War

⑦ The war that gave us Calif., Nev., Utah, Ariz. = Mexican / American war ⑧ War against Japan & Germany = WW II

⑨ The war that gave us Cuba, Puerto Rico, Guam, Philippines = Spanish / American war ⑩ Jews and Christians em-

braced monotheism / Greeks and Romans embraced Polytheism. ⑪ The war that was tension and hostility betw.

the U.S. (and Capitalism) AND the Soviet Union (and Communism) between 1945 and 1991 = Cold War.

⑫ The Korean War and Vietnam War were about stopping the spread of Communism. ⑬ Jew = Anti-Semitism

⑭ The goal of establishing a Jewish homeland in Palestine: Zionism. ⑮ The 3 Est-

- in the "French Revolution" did the Tennis Court Oath. ⑯ League of Nations / United Nations

WW I, Russia could not be at the peace conference. ⑰ Giving billions of U.S. dollars (after WW II) to Western Europe so

that they would not choose Communism was called the Marshall Plan. ⑱ Moral behavior was emphasized

by Jews & Christians. ⑲ Morality Doctrine = stop Communism. ⑳ Morality Doctrine: keep Europe out of Latin America

⑳ Hero of Latin American wars for independence: Bolevar. ㉑ Marx hated Capitalism. ㉒ Let

the people give gov't its power. ㉓ Hobbes believed people are basically bad (don't forget the rhyme). ㉔ So that Hitler

wouldn't have to fight countries to the west AND the east, he got Stalin to agree to not fight Germany.

㉕ WW I was fought in Trenches. ㉖ Important to the English Indust. Revolu. were the rivers & harbors

used for the transport of raw material and finished products. ㉗ U.S. corporations move operations to other nations

because it is cheaper, thus they make more profit. ㉘ Other countries copy our constitutions
